Uncle Colin's Gift Recommendations

Airman's Odyssey

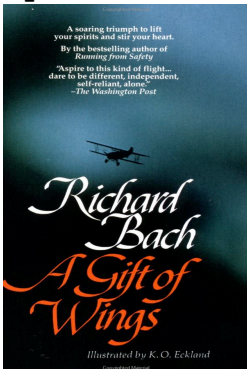

By Antoine De Saint-Exupey

Best known as the author of "The Little Prince", he was also a pioneer aviator. Perhaps the best exposition of the "right stuff" ever written.

A Gift of Wings

by Richard Bach

A classic collection of aviation shorts by the founder of paragliding's "Mr. Whimp" club.

Inside the Sky - A Meditation on Flight

by William Langewiesche

Vivid poetic descriptions of the esthetics, excitement, and ever-present risks of flight, the transformation of man when he views the world from an ariel perspective.

I69 Thong

Panty-minimalists love this casual thong that covers sweet spots without covering your assets. Toss these message panties onstage at your favorite rock star or share a surprise message with someone special ... later.

Editor's Psychotic Musings

<< >>

Hi Kids. Your weird Uncle Colin is here once again to share his words of wisdom with the great unwashed plebian masses. It's that time of year once again when I find myself making a list and then checking it twice. When I write letters to Santa reminding him of all the girls that I didn't kiss, of all the stop signs that I didn't roll thru and all the gods that I didn't defame. And letting him know that all I really want is a couple dozen big post-frontal daze with HUGE cummies at +6K MSL mid-week when all you wage-slave types will be chained to your desks drooling over web-cam pictures while I can fly my little butt off & don't need to clear my turns & can "neener-neener" you at upon our next meeting. Is that too much to ask?

Or perhaps I could make do with a multi-week major Alaska-borne storm that dumps HEAPS of cold dry big-fat-flaky snow in the local mountains and closes all the major highways after I am already at the base lodge of some big ski hill marooned with a few dozen beautiful lonely women whose husbands are stuck in their cars in the valley below waiting for the storm to break and the roads to clear while we have all manner of fun. There are other mediums in which one might fly, don't ya know... and fresh lite deep powder is one of 'em. As long as I'm writting Santa, I don't wanna leave out anything worthwhile.

Being as how I was born lucky (*as well a rich & good-lookin*), I likely don't need Santa's help, but it sure don't help to ask. As for the rest of you not-so-blessed, in keeping with the season's tradition of charity I might just put in a good word to Santa for you also. So iffen y'all happen to get any, remember to thank me for it. And if it is your wife that is stuck at the ski lodge with me, I deny everything in advance. Merry Christmas to all, and to all a good nite.....
